

TEXONA[®]

COMPANY PROFILE

We are "TEXONA" group of companies established since 2009.

Let us introduce our self, we have started our manufacturing of "STAINLESS STEEL KITCHEN SINK" in 2009 when manufacturing of stainless steel kitchen sink had just begun in India.

After understanding of local people requirement in terms of size, price, quality and look, we have decided to set up proper manufacturing unit and produce customized product which people need and wish to install at home with affordable value for all..

Since 2009, we are being focused on to support Dealers, Distributors, Retailers and end users requirements and their expectations in terms of long and durable product, smooth and continue supply chain and market oriented price structures.

After vast experience of 12 years in manufacturing stainless steel kitchen, we have started one more product in kitchen sink "QUARTZ KITCHEN SINK" or also it called as "GRANITE KITCHEN SINK" or "COMPOSITE KITCHEN SINK".

Additionally we also have started manufacturing of "EPOXY, ADHESIVE AND GROUT" manufacturing in 2022.

Our Aim

Our group has enough experience in manufacturing and distribution to reach end users.

We are currently committed to achieve 2 goals,

- 1.Manufacturing best quality, look and shape with affordable price for all class of end users and to reach in each and every corner of India.
- 2.We would like to support maximum to our dealers, distributors and retailers with branding and supply chain to reach maximum end users.

We hope to achieve our goals with support of our existing dealers, distributors and retailers in India and Overseas who have always supported us since we have started our first manufacturing unit and we also have responsibility to help them in terms of product and supply to keep trust of end users on them with commitments which we have given.

Our Vision

We "TEXONA" never want to grow alone as manufacturer. We always think about our supply chain partners to grow together.

Our vision is to achieve following by 2025

- Expand production four times bigger than now.
- Make presence in all states of India and all region of world.
- Focus on growth of our supply chain partners in India and in overseas with us.

Our Mission

With the vision positive expansion of our brand value across the country and overseas market We would like to support all our supply chain partners and focus on to promote them in their local area for their growth.

For our mission we are ready to understand problems and suggestion of our supply chain partners to resolve it and make improvement in favor of them. We are ready to put our whole efforts as manufacturer and we are confident that our all supply chain partners will put their effort so achieve our vision by time.
